2625 North US 1, Melbourne, Florida 32935

321-242-6017

[www.dlsglass.com](http://www.dlsglass.com)

If you have never cut glass before, you'll be amazed how much fun this can be! Classes meet every week for four weeks. We DO NOT make suncatchers! If you need a refresher, this is the class for you. I know I can teach you something you didn't know before! We have a weekday class that meets from 10:30am - 1:30pm starting the first Wednesday of every month. The cost for instruction is \$250.00 (\$395.00 if you have your own tools).

You can either rent or purchase your tools. A complete tool kit (not including grinder) is under \$430.00. Rental is \$90.00. If you decide to rent tools then later decide to buy a new tool kit, you will receive a 90.00 credit towards purchase of your new tool kit. Pattern and glass are extra, and generally cost around \$50.00, more or less, based on the pattern and glass you choose.

**YOU MUST CHOOSE PATTERN AND GLASS PRIOR TO THE FIRST CLASS**

Once you have mastered the beginner's class, D&L offers approximately 56 advanced workshops. Examples of these workshops are on our website. This is a great way to continue your new hobby of stained glass!

**CLASS SIZES ARE LIMITED, DEPOSIT REQUIRED\***

\* At least 48 hours cancellation notice required for refund of deposit.

For your safety, please wear closed-toe shoes to all classes.

Due to allergic reactions to cigarette smoke, please refrain from smoking prior to class.

Thank you for stopping by our store
